Two actions in six priority areas

2021 - 2027

Interreg Europe supports **interregional cooperation projects** and offers expert services through its **Policy Learning Platform**.

Projects

Limited number of **partners** from different regions exchanging and transferring experience on a shared regional development issue.

Platform

Team of **experts** exploiting projects' achievements and opening up the programme benefits to all through policy-learning services.

Interreg Europe supports the exchange of experience and innovative approaches and capacity building in the five **EU priority areas** and for better policy **governance**.
